Piet van den Heever (65 y.o.), retired deputy principal of High School of Riebeeckstad, was found stabbed to death in his home, near Welkom in the Orange Free State (Azania, the capitalist-communist empire in southern Africa, has changed the name of that region in “Free State”. Another type of genocide ...).. Nothing was robbed. His body was discovered by his wife after she returned from a walk.

For this murder were arrested two blacks, of 39 and 42 years old.
