

The brothers [Johan](#) , [Wilhelm](#) and [Kobus Pretorius](#) (sons of Dr. Lets Pretorius), are Boer prisoners of war.

In 2002, along with other Boer patriots, were imprisoned by the Empire that rules over the different nations of southern Africa.

The imperial regime still try them, while controlled media hide and distort the truth.

The Boers who fight for to free the Boer nation are not criminals, they are freedom fighters.
