

On October 1, 2014, three Boer prisoners of war have left the prisons of the empire of the Republic of South Africa (RSA): [Pieter Matthews](#) and the Visser brothers, [Andre](#) and [Etienne](#). They had been in prison since 1994.

Welcome back! Your sacrifice was not in vain, because it remains as an example of true will: you can get anything with petitions, but with action.

**[Freedom for all Boer prisoners!](#)**

**Freedom for the Boer volk!**
