

*News from Volksblad and Censorbugbear Reports*

Willie Diesel (49 y.o.), shift boss at Masimong Mine, Saturday 11th December is been knifed to death in Virginia (Orange Free State) by three black males. He stabbed to death before to go to work, while was withdrawing money early in the morning at 4:18 am at the ATM at Standard Bank in the town center.

His torn clothes indicate that he probably tried to resist against his attackers.
